YESTERDAY . . . TODAY . . . TOMORROW.

We have spent our past years learning and growing, and today we are still searching for our self-identity. Along the way, we experience education, everlasting friendship, fun, triumph, and defeat. This opens our eyes to realize and accept our maturity and the responsibilities we will soon have to face. Tomorrow is coming quickly, but with all that life has taught us, we shall be ready to achieve our goals for the future. We represent new ideas and we will set our marks in the next generation.

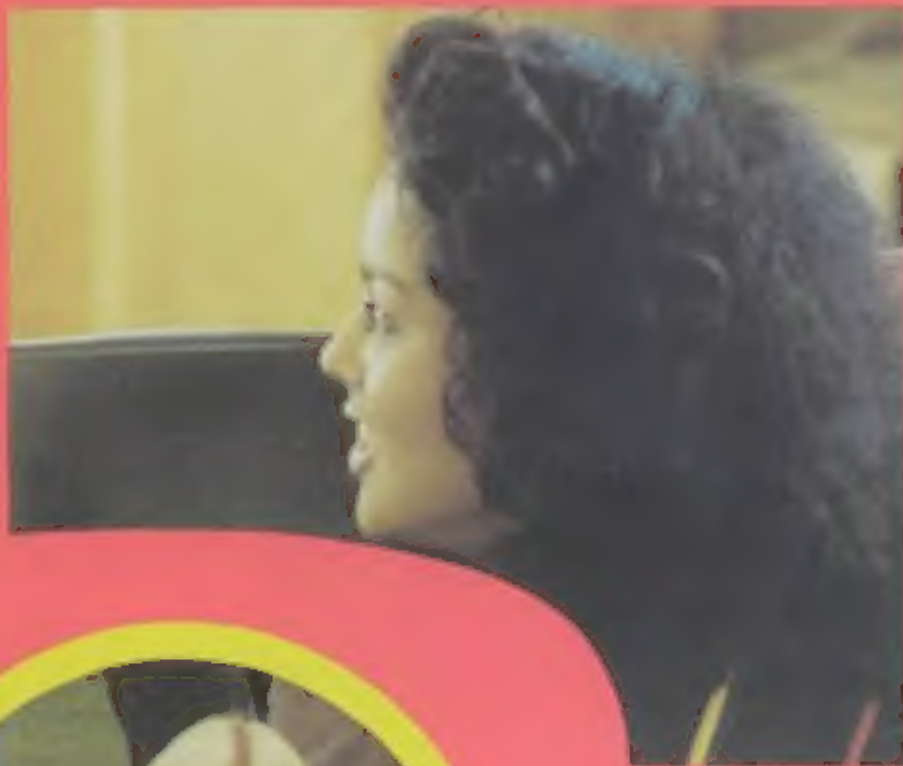

EXPERIENCING CHANGES

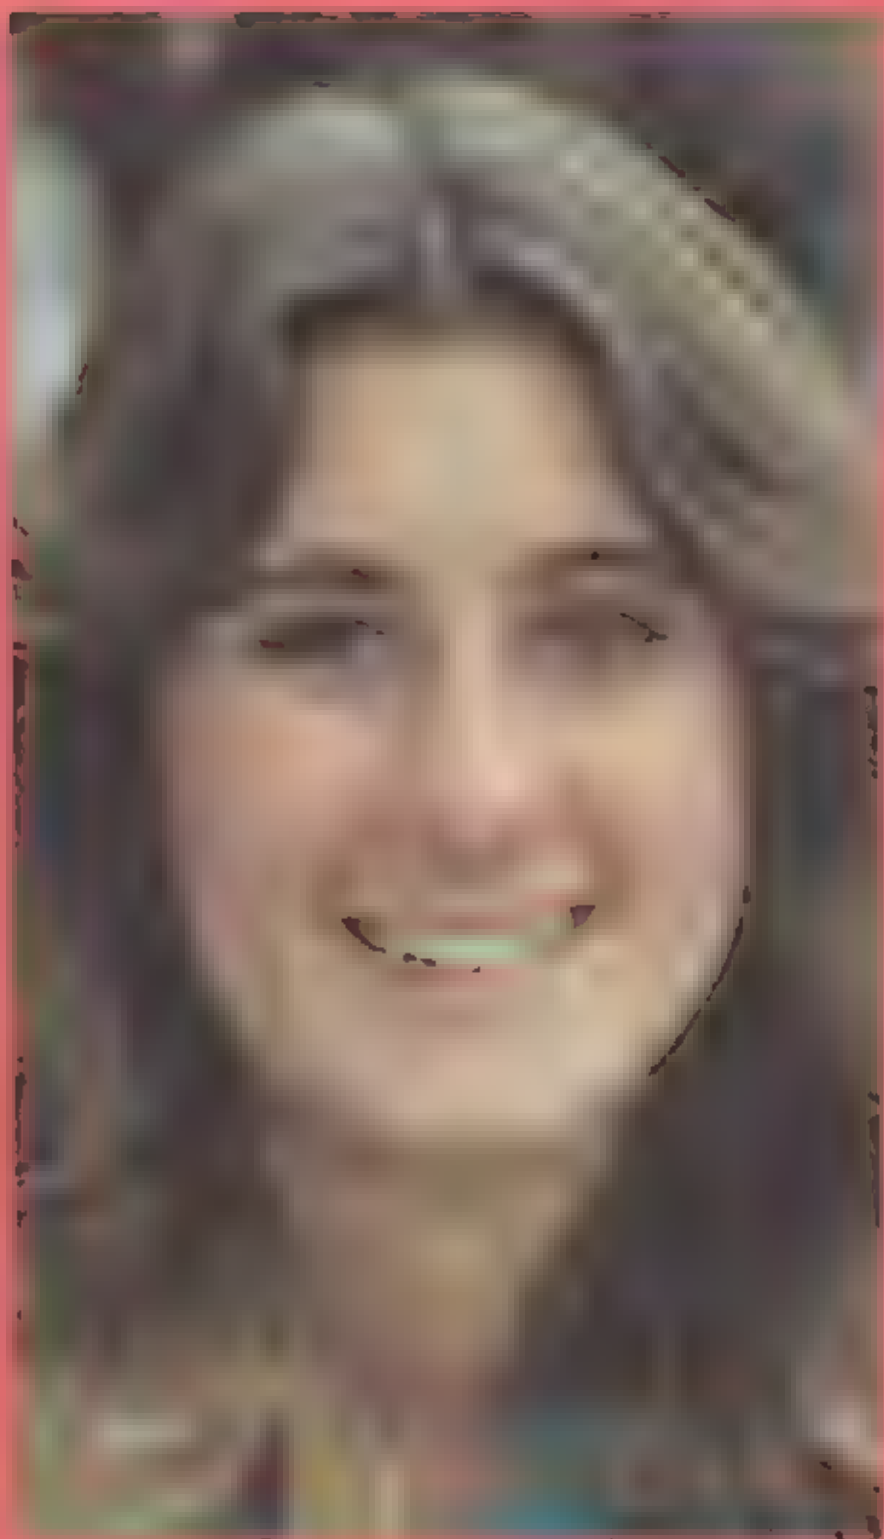

When we go through high school, we experience many changes. Our looks, personalities, and our outlooks on life are only a few of these changes. We learn to accept the changes in ourselves and in others as well. Experiencing changes are merely a part of high school and a part of life; experiencing changes is a part of growing up.

LASTING REFLECTIONS

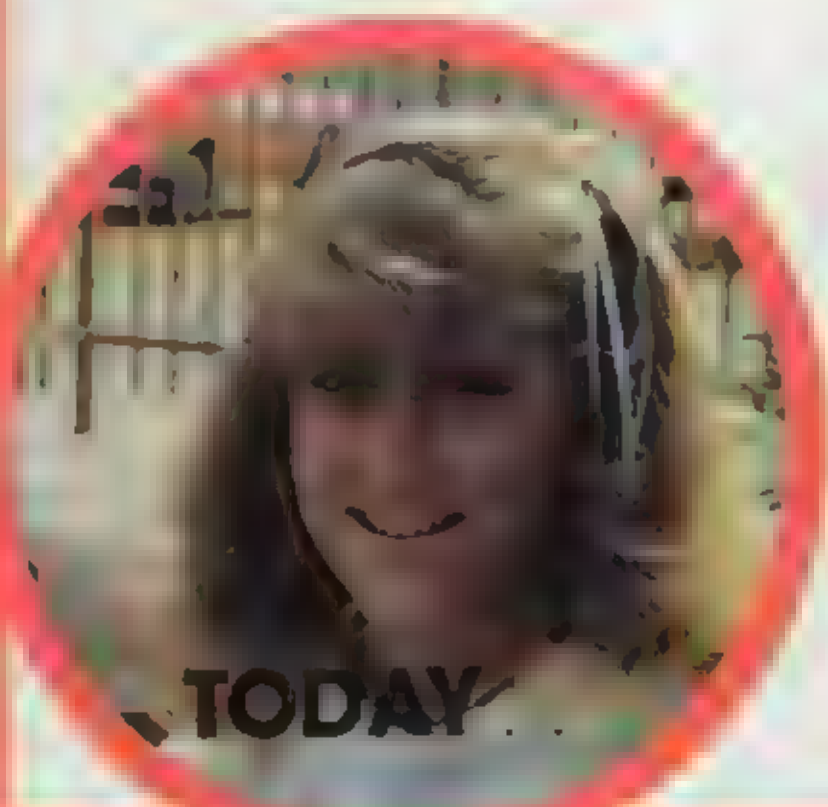

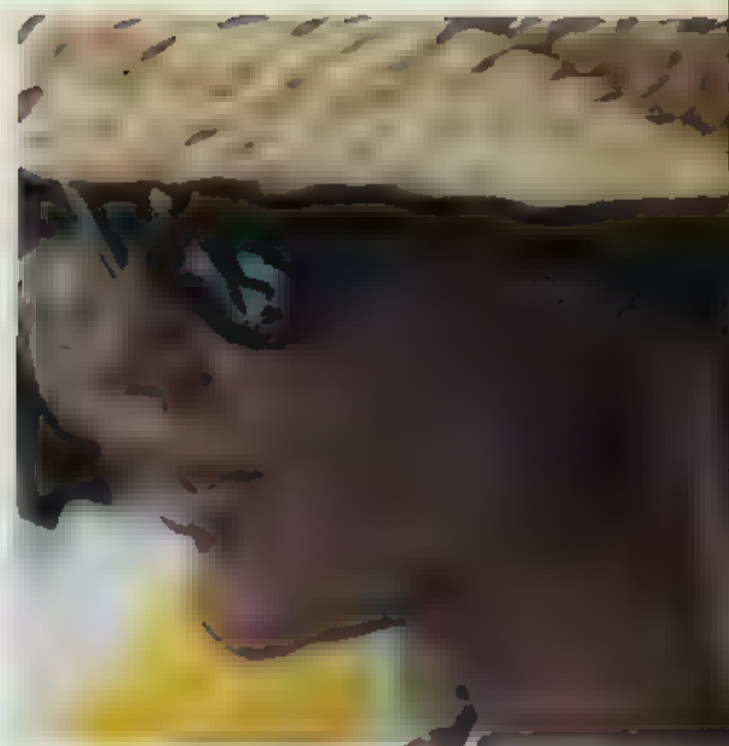

Looking back at the times spent at Mt. Carmel, we will always remember those special moments—special memories that will last a lifetime. Memories of homecoming—going to the dance with that “special” person—memories of the friends who stood by in times of need, memories of our favorite teachers, and memories of the good times as well as the bad, will all become a part of our lasting reflections of our years at Mt. Carmel.

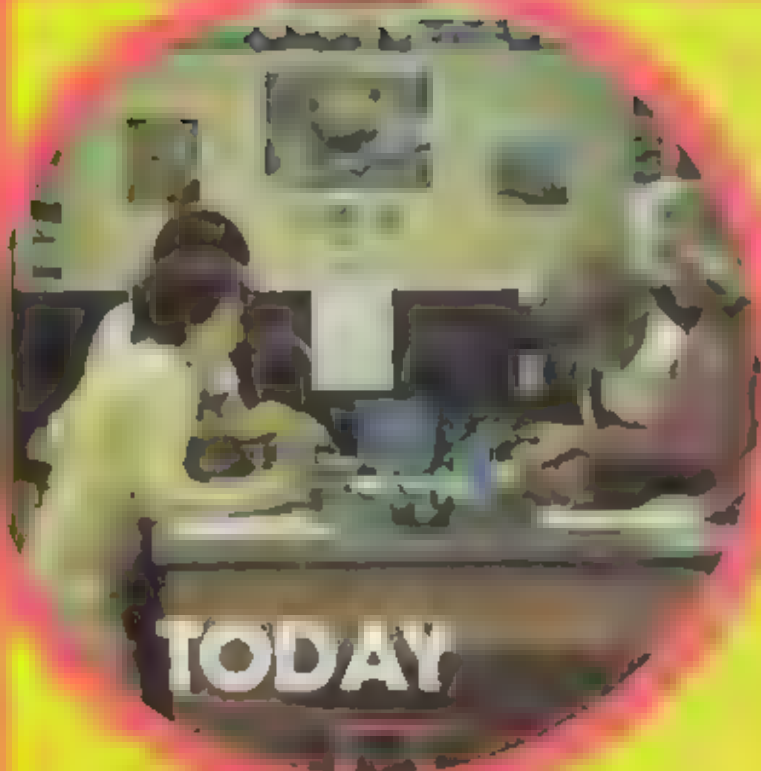

OUR GENERATION

We, the youth of today, endure the frustrations, pains, challenges, and education life seems to present, but along the way, we enjoy the good times. Our experiences create new ideas that will aid us in the future. We are the leaders of tomorrow. Today's scholars are tomorrow's hopes.

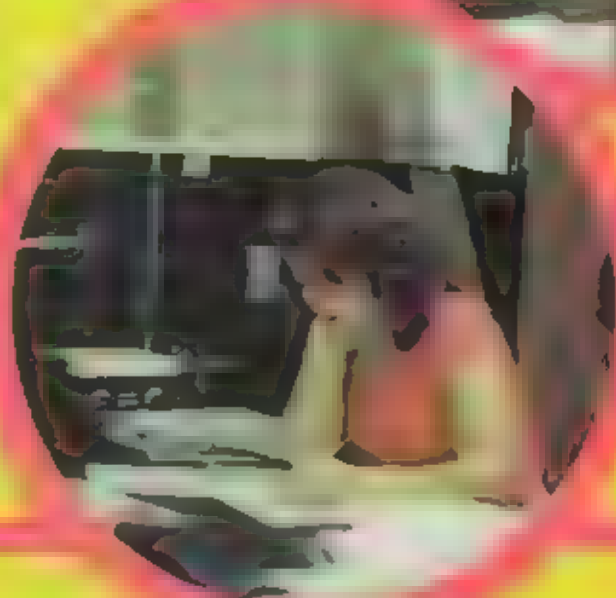

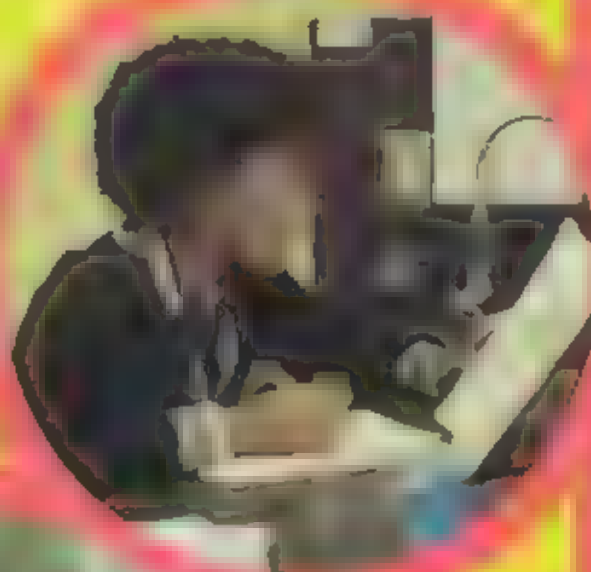

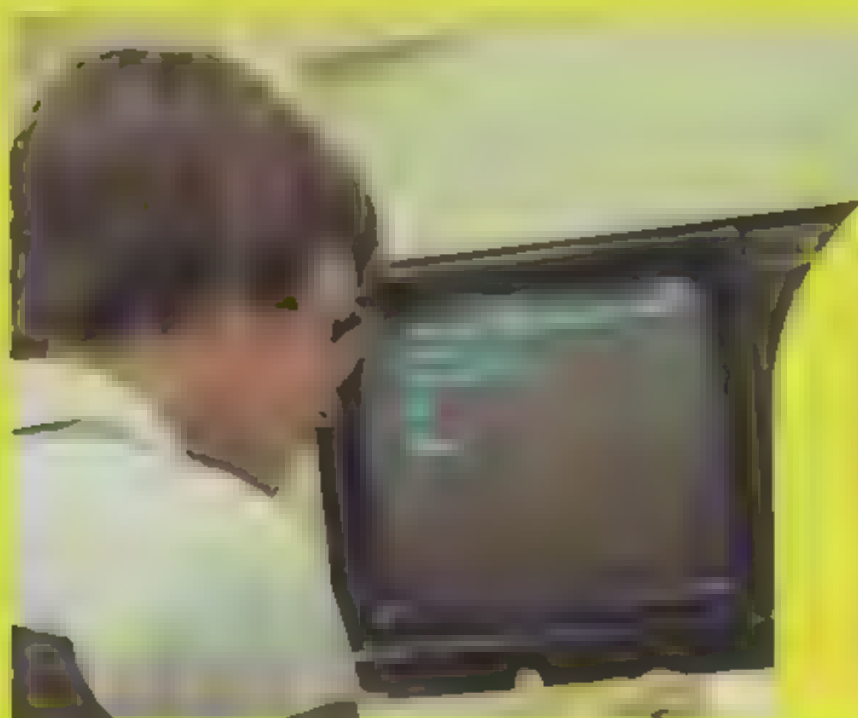

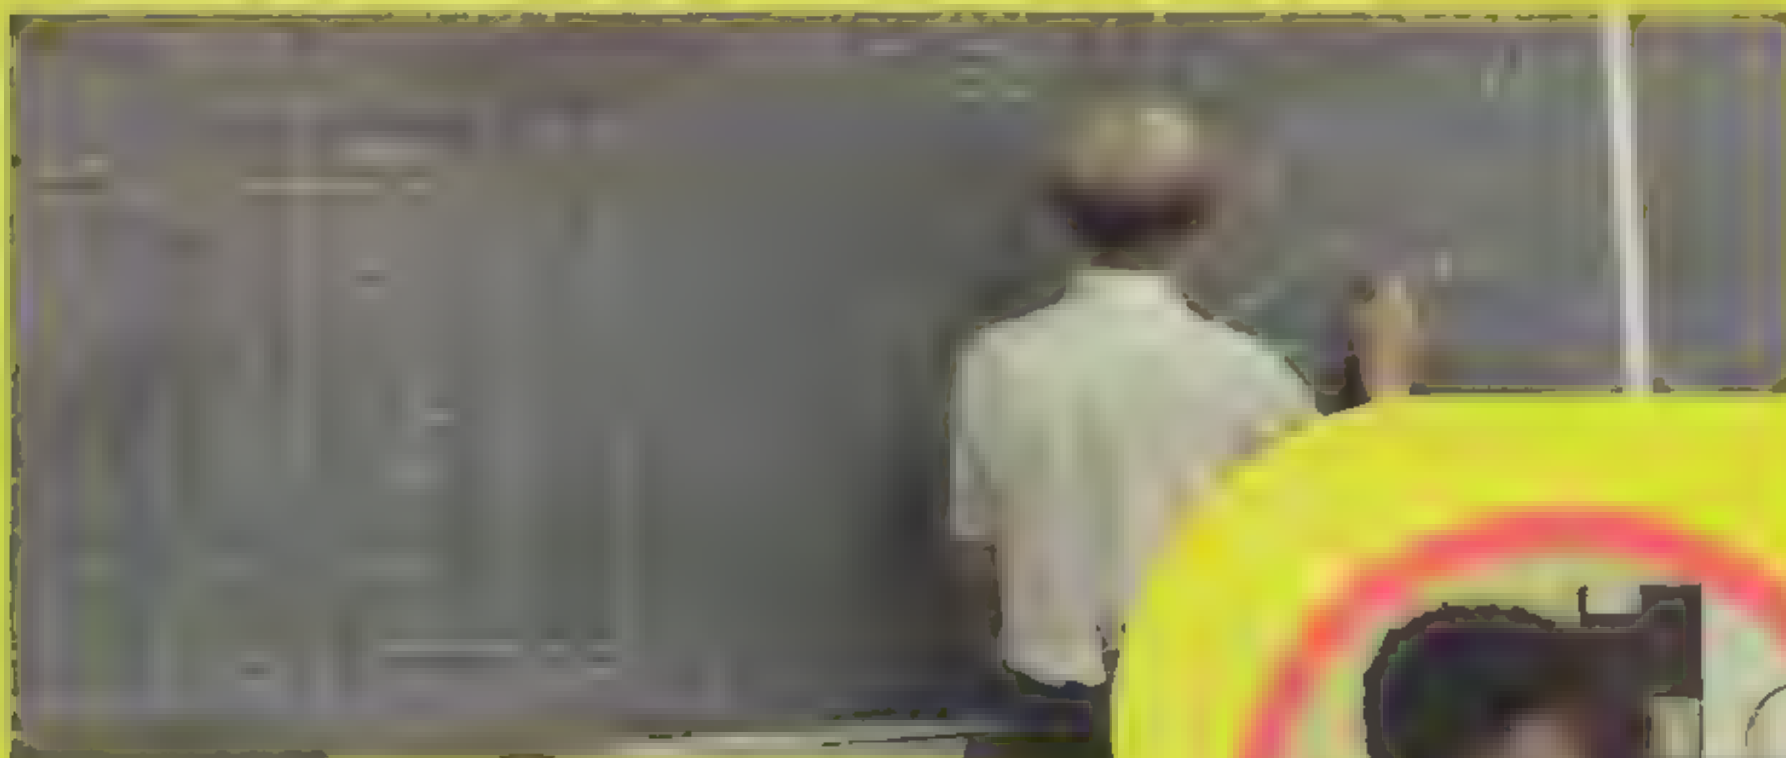

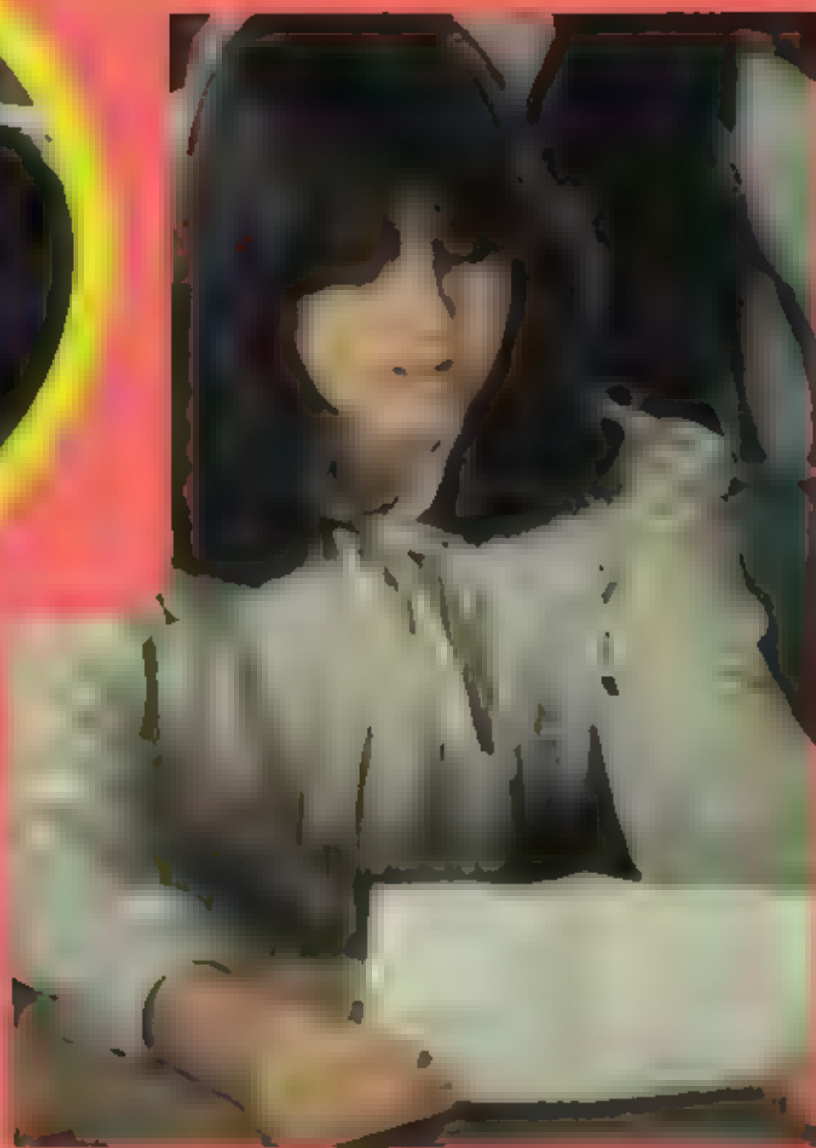

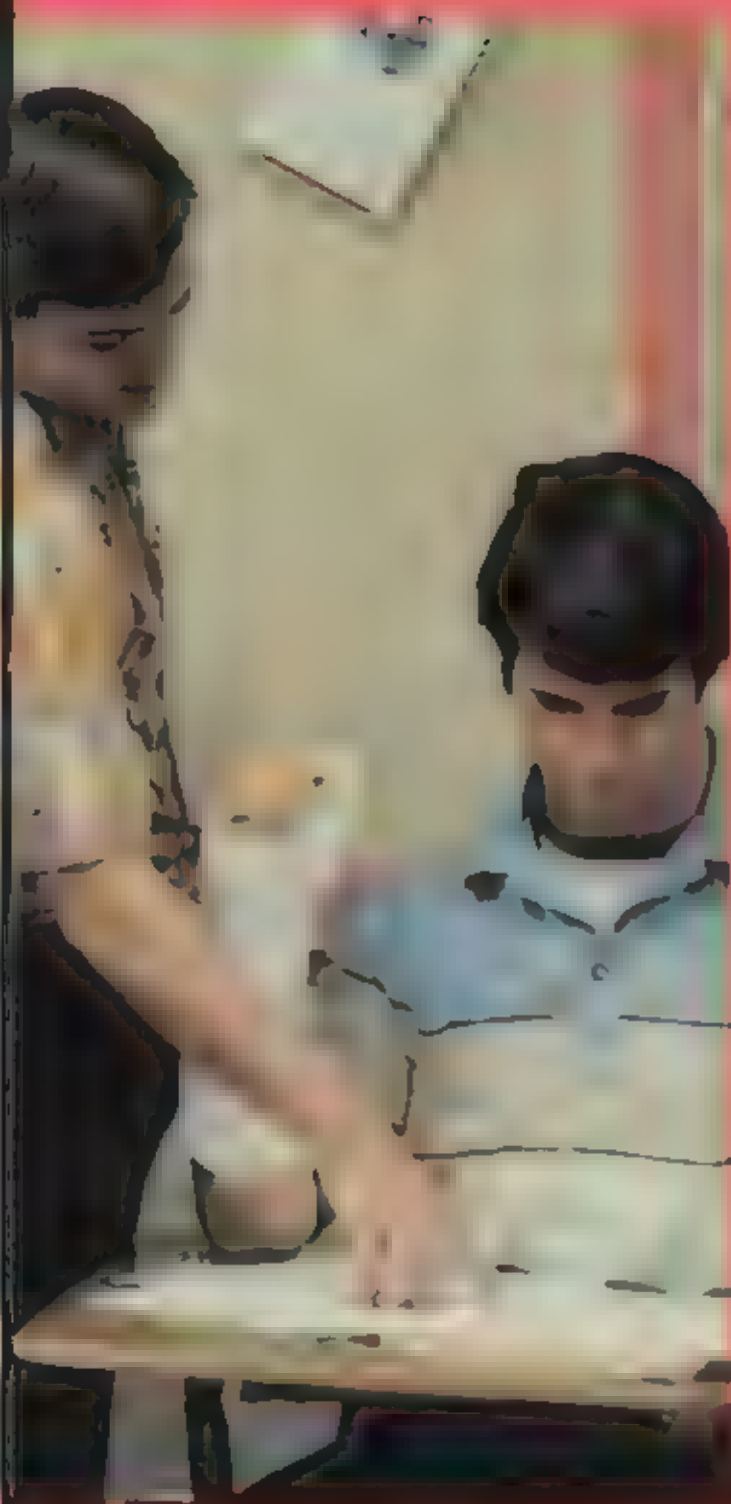

TODAY'S CHALLENGES

Today's challenges are present in everything we do—being the person our parents want us to be while satisfying our own need to just be ourselves, achieving academic excellence in spite of a tendency to be average, being actively involved socially and in our school's activities in spite of the difficulties caused by rising inflation, and finding a job when the youth job market is practically non-existent. High school presents the challenge of being an individual in a trend setting society, of being socially acceptable, of being both academically successful and successful in sports competitions, and of establishing lasting relationships. In order to meet today's challenges, we must courageously protect our individuality, our goals, and our future.

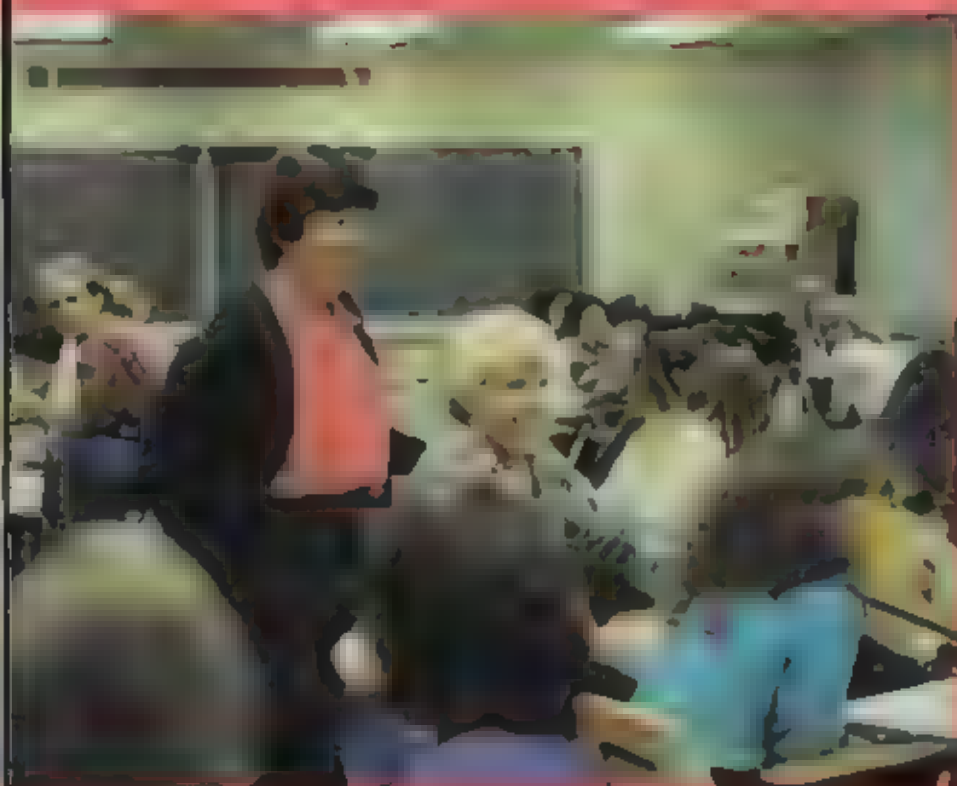

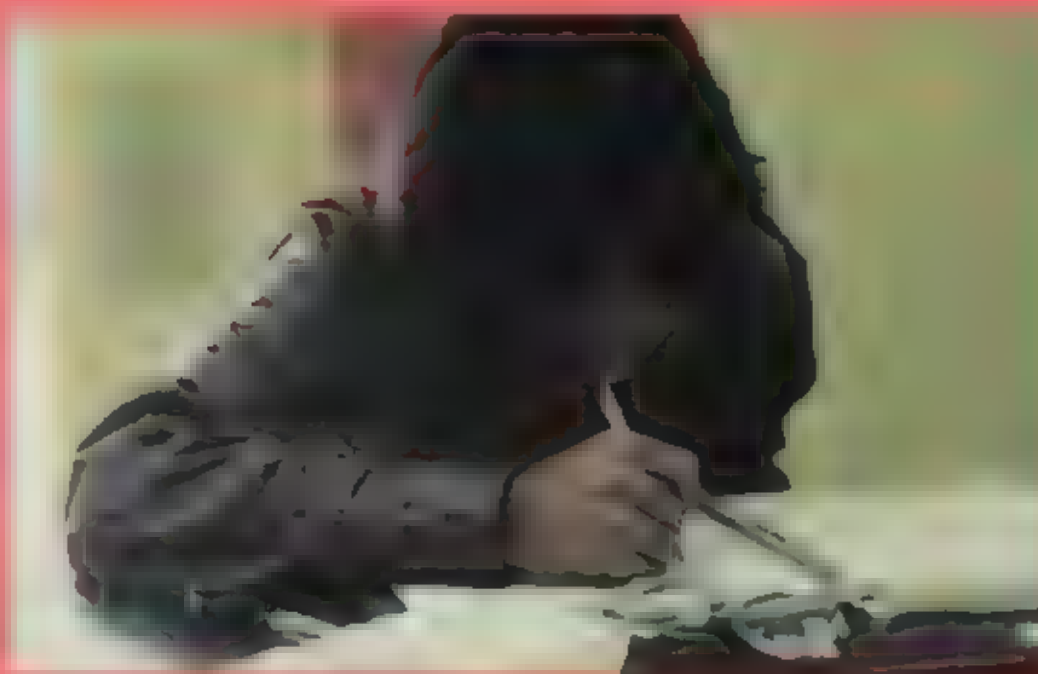

ACCOMPLISHING GOALS

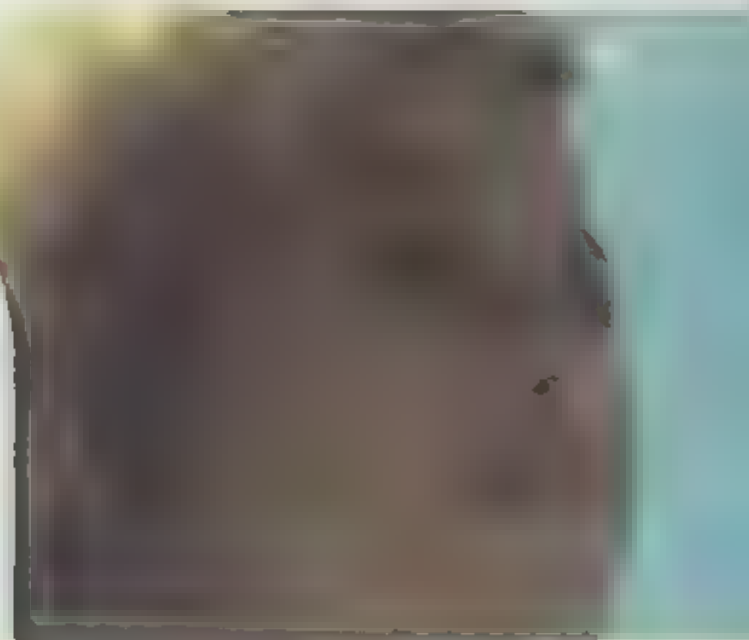

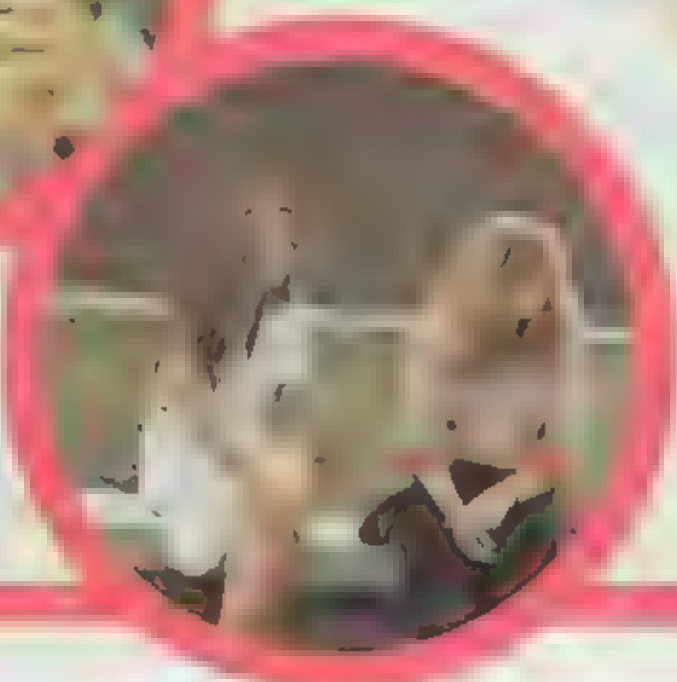

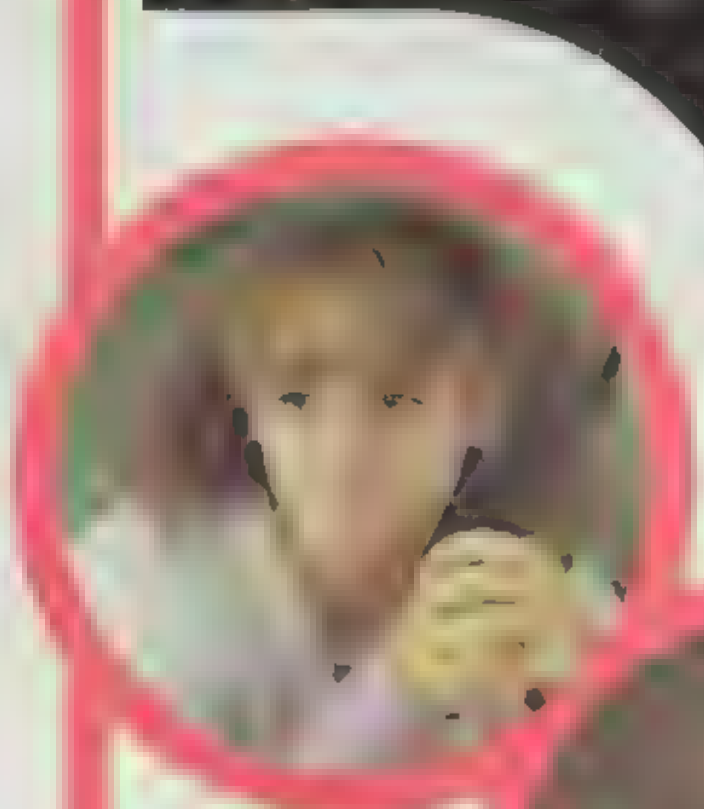

"Man cannot discover new oceans
unless he has courage
to lose sight of the shore "
Andre Gide

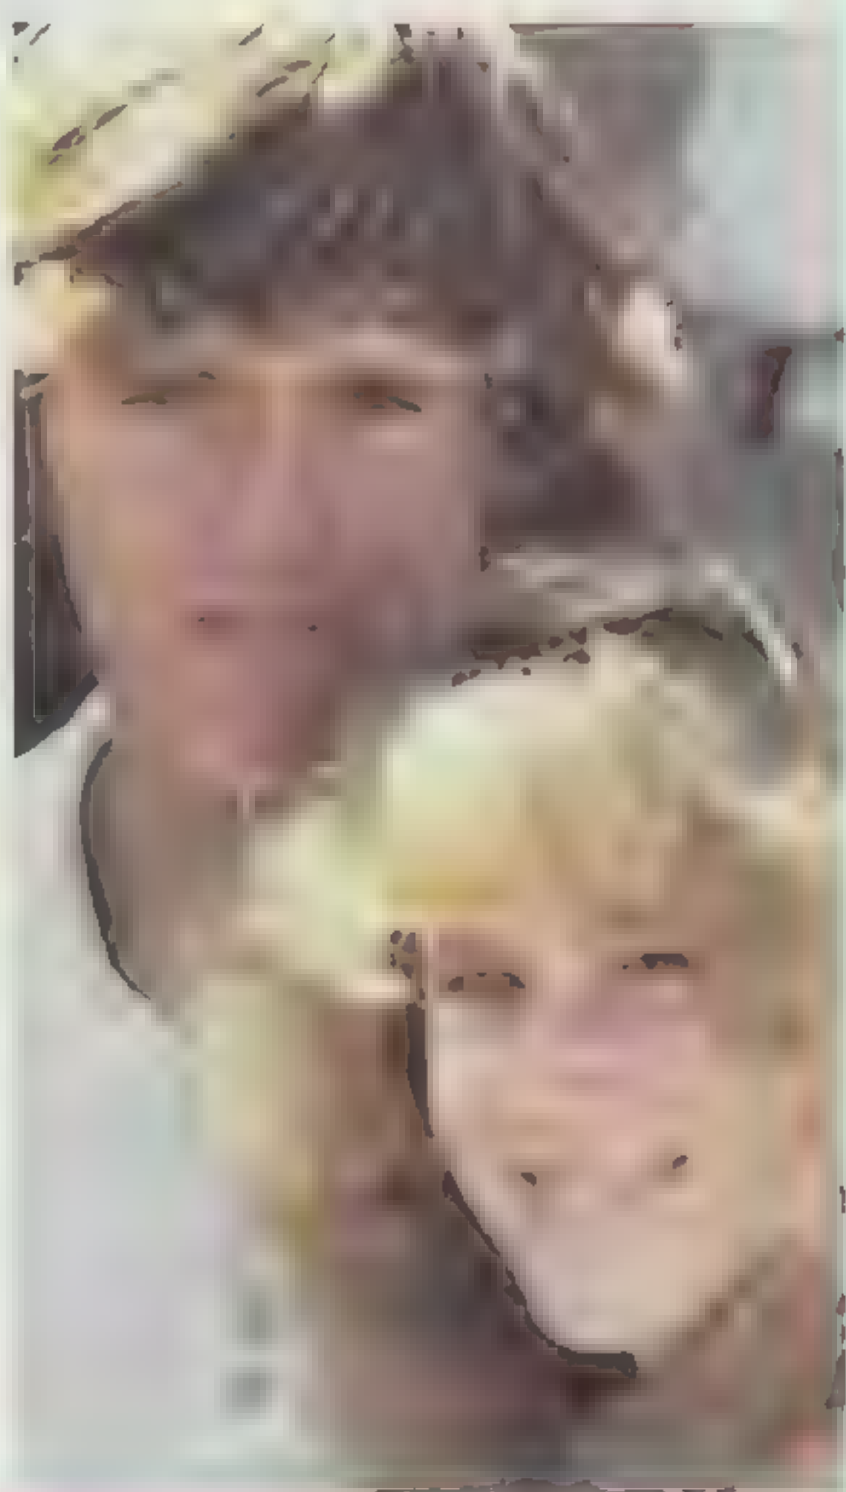

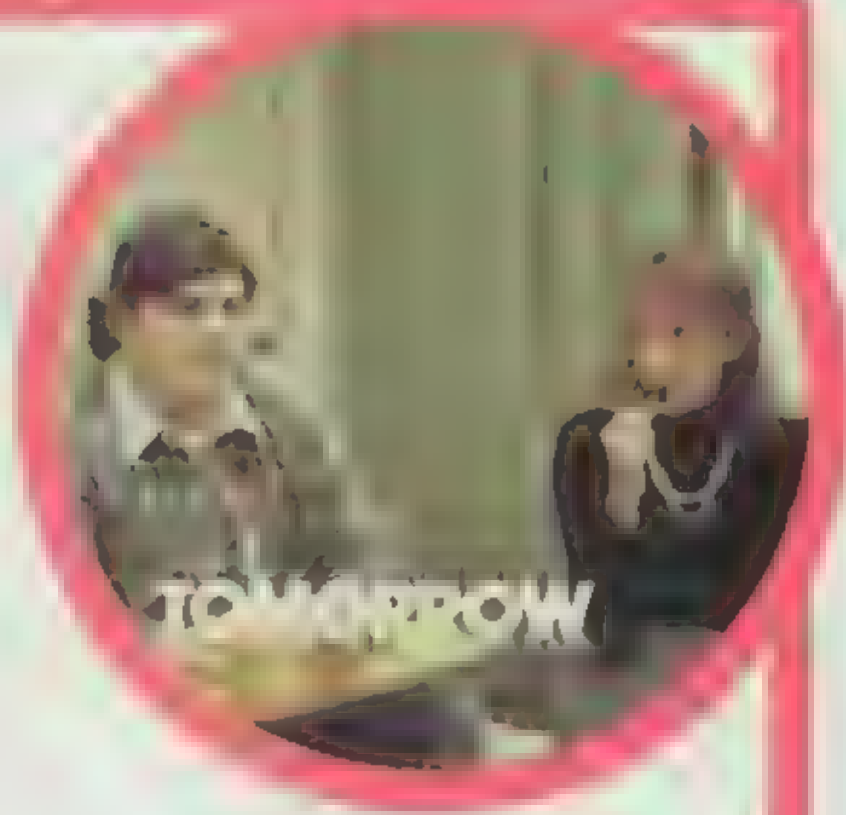

From these words of Monsieur Gide, we find inspiration to strive to reach certain goals while in high school. Our goals may be to make new friends, become strong leaders, learn new skills which will be helpful later in our lives, or simply, to have a good time being a student at Mt. Carmel. Accomplishing these goals and others promise to be the most rewarding of our life experiences.

FUTURE DREAMS

Looking toward the future we see that our lives will undergo changes—whether we go on to college, begin vocational careers or take time to explore the world and our life opportunities. Graduation and beginning the next stage in our lives is our most immediate future dream. As we leave Mt. Carmel with fond memories of the time spent here, we hope that our high school experience at Mt. Carmel will provide the basic knowledge and skills to pursue our future dreams

CHANGES TAKE PLACE DURING A NIGHT OF POWDERPUFF FOOTBALL

This year's 4th Annual Powderpuff game provided extra-entertainment by a battle between the Sophomores and Freshmen. The Sophomores were taken by surprise by a Freshmen victory with a score of 6-0.

Another upset was handed to the Seniors because of a Junior victory with a score of 12-8. Junior, Varanda Williams scored two touchdowns in the first quarter, also helping the juniors was Yolanda Tyson playing on the defense. The junior girls were coached by Steve Jensen, Tom Oliver, and Jim Dutton. Coaching the Seniors were Mike Olesiuk, Bill Gross, Dave Waker, and A. Werner. All the girls played had a great time. The over-bosomed, hairy-legged cheerleaders cheered their class on while providing enjoyment for the crowd of about 100 with their cheers, crazy acts, and tumblers.

AFS PROVIDES FUN WITH NEW AND LASTING FRIENDSHIPS

As the 1980-81 Club of the Year, The American Field service started to prove their fast growing membership and spirit. The club started the year off early with pumpkin carving and selling See's suckers. AFS is also responsible for the foreign exchange students here at Mt. Carmel and students being sent to other countries. American Field Service can guarantee fun for all and new friendships.

STUDENT SENATE SETS THE RULES

The Student Senate, an important part of the student body, holds the position of the legislature for the school. The meetings are run by Sean Pickett, President Pro-Tem of the Senate; Secretary, Kristine Parker, and advisor, Barbra Bowers. Senators are chosen from their contact classes, they attend meetings and relay information back to their classes. This year the problem of lack of senators attending has been solved, there has been a quorum present at every meeting. The Senate approves the A S B budget, constitutional revisions and new clubs, and decide on rules concerning the A S B. nominating convention

TODAY'S LEADERS BUILD TOMORROW'S FUTURE

"Today's Leaders Build Tomorrow's Future" was the 4th annual ASB Nominating Convention theme. This convention was organized by the new Leadership class, instead of the usual Honor Civics class, which has been eliminated as of this year. The convention involved more than 400 people. Congressman Bill Lowery, one of this year's keynote speakers, spoke on his involvement in politics in his younger years, and Freedom in America as compared to other countries under martial law. He also answered questions from the floor. Barbara Bowers, also a keynote speaker, excited the crowd with her speech on Women in Politics. Mrs. Bowers stated that "a woman's place is in the house—the White House." This year's ASB Nominating Convention was a success with the help of the ASB advisor Brad Johnson, Social Science teacher Barbara Bowers, English teacher Peggy Hughes, the Leadership class, and especially the convention coordinators Patty Bass, Kelly Wallace, and everyone involved with the convention.

RACES UNITED—TOGETHER AGAIN

Races United

Races United returned with another fantastic year of fun and excitement. The club's purpose is to create unity among all groups on campus. Starting the year off, Races United showed outstanding participation in this year's Homecoming. With the homecoming theme of "A Tribute to the Beatles," Races United built a float representing the song "I Wanna Hold Your Hand." The yearly stuffed animal fundraiser in early December helped to raise money, along with ice cream sales, to provide opportunities for the club to participate in a school exchange program and go on an end of the year trip.

HRC UNITES PEOPLE

Human Relations Committee had a year of fun and excitement. The group's participation played an important role in HRC. Under the supervision of Peggy Hughes, members of the committee attended workshops focusing on relating to other individuals, group dynamics, and many other concepts involving people. Activities dealing with groups helped members to understand some of the social behaviors that arise on the school campus. Sometimes guest speakers were invited to talk in the workshops which highlighted the sessions

LEADERS TAKE TO THE SLOPES

MC's fourth annual Leadership Retreat for outgoing and incoming executive council members was held at Big Bear from January 29, to February 1, 1982. The purpose of this retreat is to have old officers acquaint the new officers with their jobs. This retreat also improves relationships within the council. Adding to the events taking place at the retreat, were seminars and sessions where the officers listened to Mt. Carmel teachers and guest speaker Jane Taylor Wilson. These presentations and discussions concerned leadership skills, organization, and commitment.

DONKEYS KICK THEIR HEELS UP FOR AFS

The American Field Service of Mount Carmel raised funds by sponsoring a Student vs. Faculty Donkey Basketball game March 4. The money will be used for Mt. Carmel students who wish to become a foreign exchange student or sponsoring a foreign student to Mt. Carmel. Donkey Basketball is played like basketball except that players must be mounted on their donkeys to shoot, pass, block, or steal; however, they may ride or pull their donkey to the ball. Also, players must clean their donkey's mess with provided pooper-scoopers. All in all, everyone, including the audience, had a great time at this hilarious event.

SUN HAS GOOD YEAR WITH NEW IMPROVEMENTS

As organization of the year 1981-82, the Sun showed early signs of success. Although, advisor Mrs. Natalie Panfili, had to be replaced by Mr. Dave Walker, due to her temporary relocation in Germany, it did not change the Sun's perspective. MEMORIES OF SUCCESS

The hot days spent working and practicing paid off. Since August, the flag team accomplished many new routines and new techniques taught by their Advisor Andrea Blume and Band Director Tom Cole. The flag team's patience played an important part in the achievement of their many successes. On Dec. 5, 1981, Chaffee Tournament of Champions ended with performances that led the girls to 1st place in Parade and 1st place in Field. Thanks to everyone's support and participation, the girls cherished successful memories.

This year's Classical Choir was directed by Mr. Dennis O'Drane. The choir is a little different from concert choir. They sing more slow-paced types of music and they are a more advanced. The Classical Choir also attended the thousand voice choir and performed at the Annual Christmas program. The choir consists of old and new members, and beginners to advanced students. They are an outstanding choir, and Mr. O'Drane is very proud of them.

ROCK OF AGES PLAYS TO FULL HOUSE

This year's Reader's Theatre production of "Rock of Ages," was the most successful play ever produced at Mt. Carmel. Under the direction of Linda England, the play on the average drew in crowds of more than 300 hundred people a night and sold out completely two times. The play ran for six nights. As a result it grossed \$5000 which only cost \$1000 to produce. Bob Pacilio was the master-mind who created "Rock of Ages" which deals with the question whether music led counter-cultural changes or if it reflected those changes. This year's production also had a drama and Reader's Theater combination to put on the show. The play was a smashing performance and was well worth seeing.

HORIZON STRIVES FOR NEW LOOK

The 1981-82 yearbook staff returned for another successful year, with this year's new advisor, Mrs. Genda Simmons. The yearbook staff worked hard together sending ads, writing copy, and making layouts in order to produce the best horizon ever at Mt. Carmel. Deadlines played a crucial part in developing each stage of the yearbook. Excitement and a sense of accomplishment filled each staff member as proofs returned marking another step in the book's completion. The staff has learned and experienced many new things. With this knowledge, the yearbook staff has created a Horizon which they hope will be the most memorable Mt. Carmel yearbook.

GALS GET THEIR MEN AT SADIE HAWKINS

It was a rootin'-tootin' hoe down! Good old fashion weddings, with country caller McKinney. It was a night to remember. It was "Ladies Nite" time to get down on it. Indeed it was a country celebration. Everyone in their bluejeans, prairie skirts, bandanas, pendeltans, boots and cowboy hats. The music was provided by "Underground." Everyone danced the nite away. Yoaza, Yoaza Yoaza, Thank God I'm a country boy.

VARSITY FOOTBALL PLACES 4TH

The Mount Carmel Varsity Football Team got off to a slow start, but managed to come back with a win over San Dieguito. After being set back by Falbrook, our Sundevils came back with a well deserved win over cross-town rivals Poway High, with a score of 9-6. The team ended their season with a record of 3-3 in the league, which gave them a fourth place spot.

Awesome performances were delivered by team members Shell Scott, who played a superb running-back and a line backer, Larry O'Brien-a wide receiver, Steve Castleberry who played defensive end and tight end, Wade Lindenberger an offensive-tackle, Joe Gelormini playing defensive tackle, Johnny Johnson a defensive back, and Matt Gates offensive guard.

J.V. AND FROSH BUILD FOR THE FUTURE

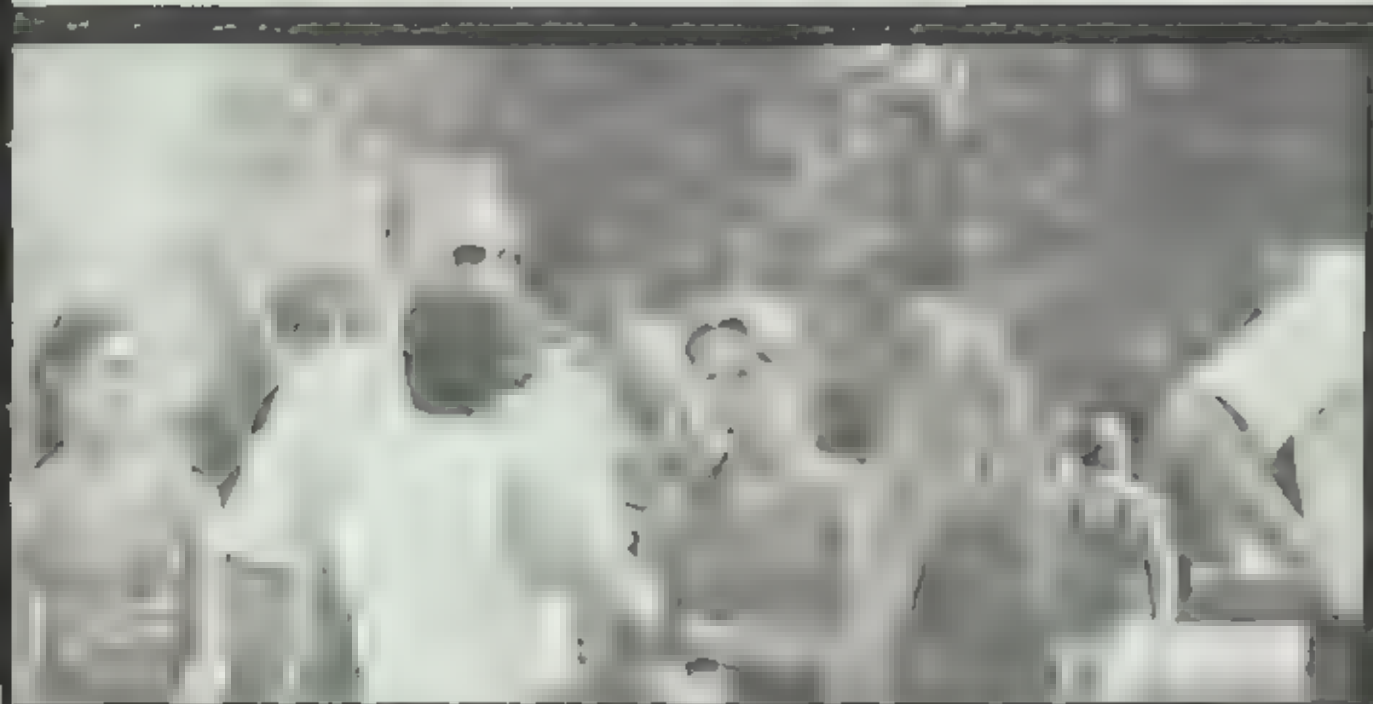

The Mount Carmel Junior Varsity football team started off their season well with a win against Monte Vista. But the team was not able to bring in another win, leaving them with a record of 1-8. The J.V. team was said to be one of the hardest hitting teams in the league. Everyone of their opponents had the comment that they were one of the tougher teams they played, but success was not visible by the scores.

The team was lead by outstanding players such as Ron Ulsufer, who was the defensive captain as well as the team's main rover, Jojo Valicruse, who played center; Chris Yates, who did an outstanding job at right tackle; Chris Rubel, who did a fine job as running back, Mark Scott, who was the team's quarterback, and Andy Young, who played both a running back and strong safety. The entire team showed the potential of being able to assist the varsity in years to come.

This year the Mount Carmel Girls Cross Country once again had an outstanding season, only dropping three meets to Orange Glen, Torrey Pines, and Vista, one of their tougher competition. The girls ended the season with a 5-3 record.

The girls attended the Point Loma Tournament where they placed an impressive first out of 46 schools, and went on to take the first place spot at the Mount Sac Tournament. The girls underperformed the C.I.F. competition leaving them in fourth place.

The team was led by the strong efforts of Kim Classen and Monique Price.

Among the team's leading runners were Chris Price, Shawn Cannon, Mike Toth, and Carl Toth. Together as a team, the team showed outstanding efforts and the potential to become next year's C.I.F. champions.

EXPERIENCE

IS KEY

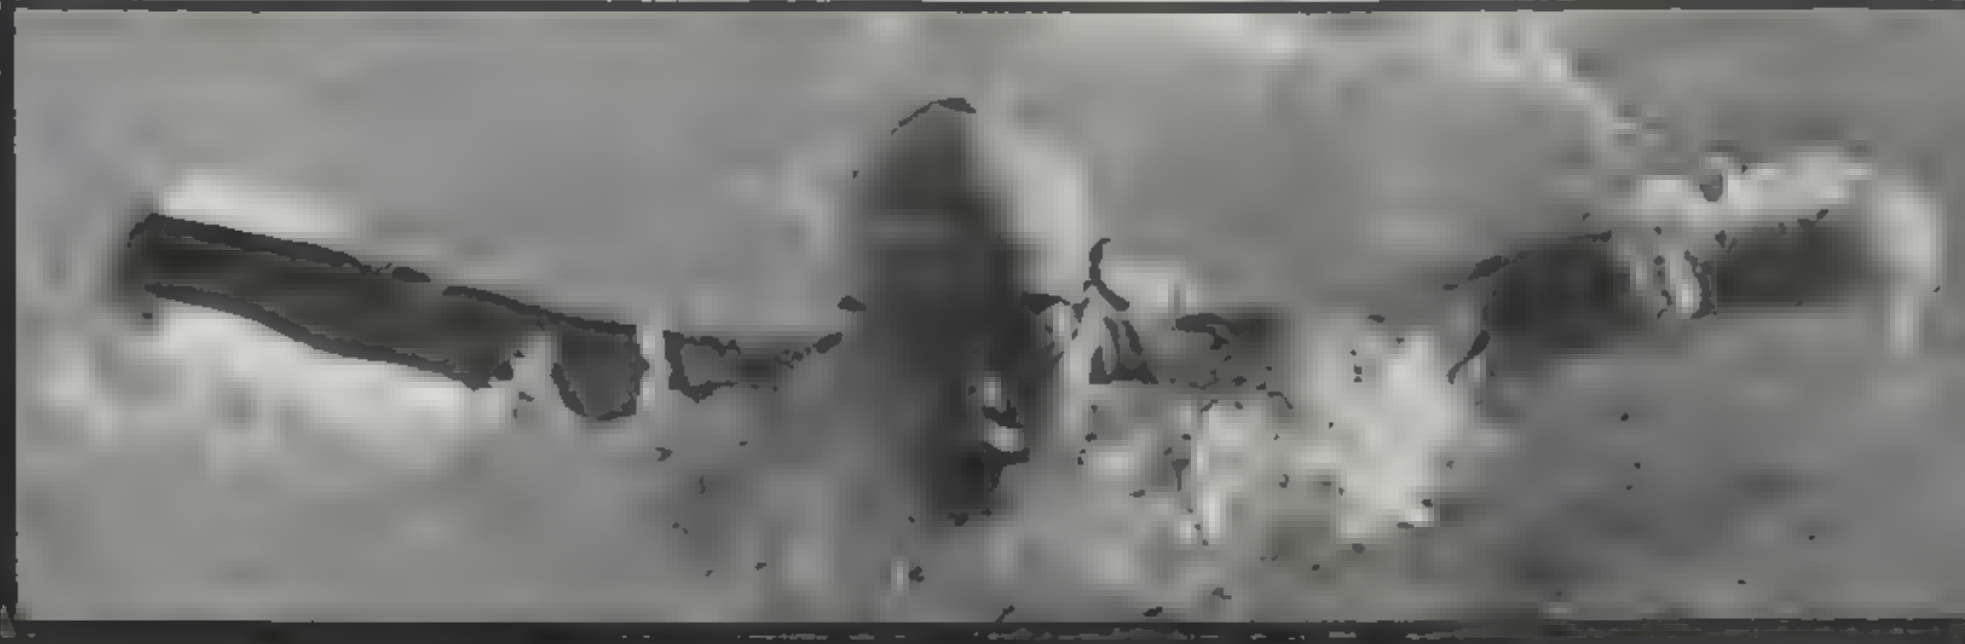

TO WINNING

"I was very happy with my team this year, I had five returning seniors plus two new players," stated coach Barbara Charlebois of her 1981 girls varsity volleyball team. Again, Mount Carmel had another successful year going 9-3 in league and going to CIF quarter finals.

Throughout the season, Mount Carmel was always rated either second or third in the county. Coach "Charlie" said the turning point of the season for them was when MCHS defeated San Dieguito in three exciting games. The girls then started playing to their potential and looked really great.

The team's outstanding players were, Amy Gale, Julie West, Kathy Kabbany, and Michelle Burnett.

The Diving team was coached by Lee Robinson. She had two CIF champions: sophomore, Nina Foder placing first, Senior Leslie Lowe taking second, and Juniors Kim Ward claiming fifth and Gina Syrios placing twelfth.

TEAMWORK: CAGER'S WINNING KEY

This year's Boy's Varsity Cagers displayed true Sundevil pride all throughout their season. The team, led by Coach John Marincovich, ended its season with an overall record of ten wins and thirteen losses. A league record of 5-7 placed the team 4th in the Paiomar league.

In the past, Coach Marincovich had always emphasized teamwork to the members of his team and this year was no exception. Teamwork was the key to winning in the game of basketball. Although the team worked very well together, certain players deserved honorary mentions for their outstanding individual achievements. The highest scoring player was Rick Cortez, followed by Mike Garrison. On the average, Rick scored 12 points a game and was listed as one of the league's leading scorers. The best defensive player for the Cagers was Shell Scott. Shell not only improved defensively this season, but also offensively.

Next year, Coach Marincovich, the returning players from this year's team and those moving up from J.V., will work even harder to make the C.I.F. championships.

WRESTLINGS FUTURE LOOKS BRIGHT

The Mount Carmel 81-82 Varsity Wrestling team saw its first year ever. High finishes by the squad became common. the Sundevils were runners-up in the Palomar league and were ranked 3rd in the San Diego CIF-Section. The success of the team was due to the strong efforts of all the team members. Among other things, the team saw Jack Duby place in three tournaments and for the second year, qualify for the state tournament. Probably the greatest accomplishment ever achieved by a Mount Carmel wrestler happened at the CIF-State Tournament as Daemon Anastas finished fourth in the entire state. The team finished 19th out of 186 schools at this year's state tournament. The future of Wrestling at the Mount looks right

VARSITY SOCCER PLACES 3RD

The Mount's 81-82 Varsity Soccer team ended an excellent season with an overall record of 11-5-4 and a league record of 6-3-3. The team did not do well enough for a CIF rating, but walked away with a 3rd place in Palomar League. The team started off well winning their first four pre-season games which gave the team the confidence they needed and the feeling that they'd make it to CIF playoff. Well, such expectations were laid to rest when several of our better players were forced to leave the team due to injuries and lack of team dedication and spirit.

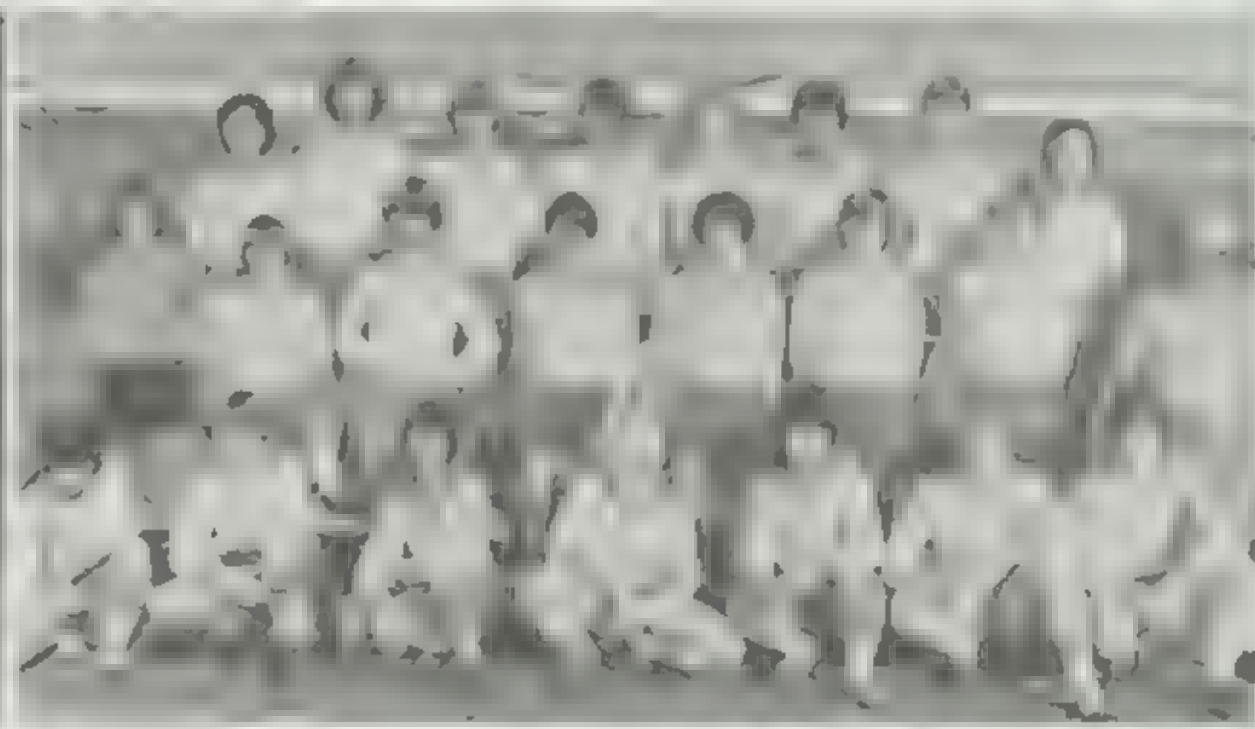

The team had two All-league first team selections Phil Kenny, a full back, and Jeff Anderson, who is a half back, both of these players also earned a CIF honorable mention. Mike Ericson, a three year starter, had a fine year making the All-League second team. Both Keith Popejoy and Andy DeGruggio received All-League honorable mention. The team's starting goalie had an excellent season with 112 saves. Not well known for their sportsmanship, the team received 28 yellow cards and 5 red cards. The team has high expectations for next year's season.

GIRLS BASKETBALL BOUNCES BRIGHTLY

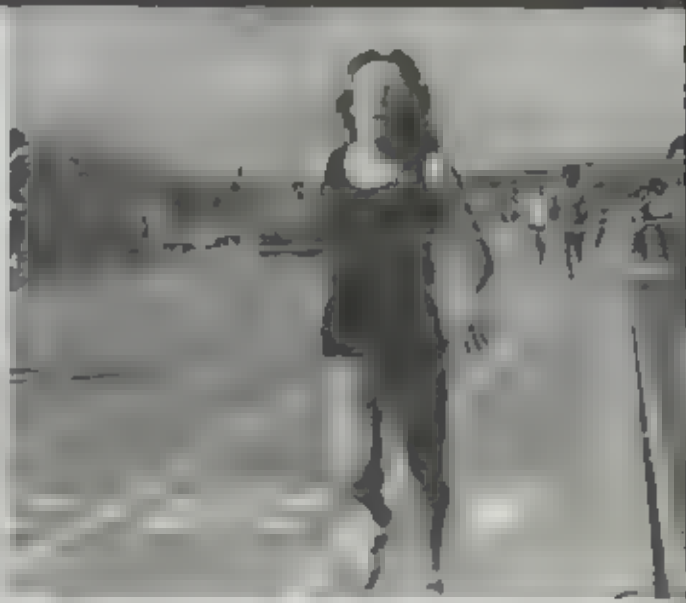

With eight girls returning this season, the Girls Varsity Basketball Team is hoping to improve upon their fifth place finish of a year ago. Led by seniors, Julie West, Lauren Harter, Staci McCelland and Alica Warczakowski, the key to success is team unity, strong outside shooting and "lots of hard work". Former Junior Varsity players, Jill Weckerly and Yvonne Schaberg have also contributed greatly to the team's success thus far.

According to their Coach Peggy Brose, "There are no outstanding players on our team, but rather 12 very unselfish girls who are willing to totally dedicate themselves to the success of the team." It is a pleasure to work with such an outstanding group."

Royal Kiss-For the first time ever in public, a royal couple exchange kisses (Photo compliments of Escondido Times Advocate)

MILLIONS CHEER ROYAL COUPLE

LONDON- On July 29, 1981 Prince Charles of Wales and Lady Diana Spencer were joined in holy matrimony. The ceremony was held, for the first time since the 16th century, at the altar of London's St. Paul's Cathedral.

The wedding celebration was a very joyous occasion for everyone everywhere. In the streets of London, thousands of admirers gathered to take part in the celebration. Wedding bells were heard not only in London but also in other parts of the

world. In the United States, millions of people celebrated the joyous moment by watching the wedding on their television screens. The spectators, as well as the viewers, found themselves in a world of fairytales. The environment, the scenery, and even the weather made the special day even happier and more beautiful than stories found in children's storybooks. The wedding of Prince Charles, in his brass-buttoned navy commander's uniform, and Lady Di, in her beautiful white wedding gown

was the greatest royal event of the century.

Preparations for Britain's royal bash were made months before the occasion. Both sides of the family helped with the preparations, especially with the invitations. The guest list was long and contained the names of many dignitaries, world leaders, and special commoners. Representing the United States was First Lady Nancy Reagan. Most of the people whose names were included on the list attended

SADAT DIES FROM WOUNDS

CARO, EGYPT. On Tuesday October 6, 1981, while watching a military parade at the tomb of the unknown soldier, President Anwar Sadat was assassinated when men dressed like soldiers riding in the parade, jumped from the truck they were riding in and opened fire on the reviewing stand. The Minister of defense, Abu Ghazala, who was sitting next to President Sadat was injured but survived. Vice President Mubarak who was seated next to him, was uninjured in the attack.

DOZIER KIDNAPPED

TALY, 1981 General Dozier was abducted from his apartment. Mrs. Dozier was bound and gagged and left in the apartment. General Dozier was held captive for six weeks. Gen. Do-

zier was kept in an old army tent in his captures apartment, on the day of his rescue Gen. Dozier's captures had a gun to his head but quick action by Italian officers saved the General's life.

EL SALVADOR IN TURMOIL

EL SALVADOR 1981-82 brought political unrest for this South American country. The United States tried to keep out of the fighting, but was unsuccessful. Guerrillas, supporting the working lower class of El Salvador, rebelled against the government because the government supported the rich and gave nothing to help the poor and starving.

POPE ATTACKED BY ASSAILANT

VATICAN CITY, ROME The Pope, while addressing thousands of people, was shot by an assailant. His assailant fired several times, hitting the Pope once. The Pope was rushed to a nearby hospital where the bullet was removed, and the Pope started his slow but steady recovery.

PRESIDENT INJURED IN SHOOTING

WASHINGTON D C , March 31, 1981- As President Reagan exited a Washington hotel, an assailant opened fire on him. The gunman, John Hinkley Jr., was apprehended minutes after, by surrounding policemen and Secret Service agents. Luckily, no one was killed in the shooting, but the President, his Press Secretary James Brady, and policeman Thomas Delahanty were seriously injured. Mr. Reagan was wounded in his side and had to undergo a very delicate operation.

REAGANOMICS: WHAT IS IT?

"Reaganomics" is the name given to Reagan's definition of a sound economy. The President believes that our nation could resolve its money problems by cutting its spending for welfare, student aid, and other federal programs. The money would then be used to increase its defense budget.

HER HONOR

On Friday, October 2, 1981, Sandra Day O'Connor, 51, was solemnly sworn in by Chief Justice Warren Burger as the first woman ever to serve on the U.S. Supreme Court. Her nomination received a 99-0 Senate vote of approval thus, giving her the title of "Supreme Justice O'Connor."

1982: YEAR OF THE SYZYGY

Syzygy took place this year on March 10, 1982. Syzygy is the technical name of the once-in-500 years event when all 9 planets are aligned. Doomsayers predicted that the world would end and that Southern California would slide into the Pacific. They also believed that the gravitational pull caused by the syzygy would create earthquakes, floods and volcano eruptions. Of course, the doomsayers were wrong, the syzygy occurred with no major disasters.

The next celestial wonder that will occur is the whizzing by of Haley's Comet in March, 1986.

PATCO MEMBERS LOSE JOBS

WASHINGTON- The Professional Air Traffic Controllers Organization remained on strike for over three months, August-November, despite the warnings it received from the government. PATCO was given several offers by the government to reinstate its members and call off the strike. The offers were turned down because many of its members believed their jobs were no longer available. The administration officials insisted that the controllers who walked off their jobs broke their working contracts and should not be rehired. The strike ended in the decertification of PATCO.

U.S. LAUNCHES SHUTTLE

CAPE CANAVERAL, FLA - The space shuttle Columbia was launched into space twice during 1981, once in April and once in November. The shuttle, an \$8.8 billion project, was the first man-aft spacecraft to be launched since 1975. Columbia was the first ever to make a flight into orbit and then land on a runway. The shuttle, a combination of rocket and airplane, was built to send surveillance satellites into

space and to carry nuclear bombs. The missions, 2 out of the scheduled 4, were NASA's means of testing Columbia's readiness and penetrability.

The first flight was very successful. It was during the second that malfunctions occurred shortening its scheduled flight. Despite the delays and the problems, Columbia did become the first vehicle to make a return flight into orbit.

BOEING 737 PLUNGES INTO POTOMAC RIVER

WASHINGTON- January 13, 1982, was a very disastrous day in the nation's capital city. Late that afternoon, a Boeing 737, on its way to Florida, crashed into the Potomac River, killing at least 77 people. Speculation of the cause of the crash centered on two possibilities: a buildup of ice

that might have added weight thus preventing the plane from rising, and on the possibility of instrument failure.

Authorities reported only five survivors among the 79 people on board the plane. Three people were killed on the 14th Street Bridge when the plane's wheels

hit it, crushing the vehicles on the road.

The search, headed by the Navy and Coast Guard, for the missing bodies and the wreckage of the plane lasted several days because of the condition of the river. The river was covered with a thick layer of ice.

A NEW ERA BEGINS FOR OLD GLOBE

BALBOA PARK- Workers finished the \$6.3 million project of rebuilding the Old Globe Theater in Balboa during the later part of December. The old Old Globe was destroyed by an arsonist's fire in 1978. The fire destroyed the home of many actors and actresses. The New Old Globe celebrated its official opening on Jan. 14, 1982. The performers and the audiences were happy to see the Old Globe alive again.

ROLLING STONES ARE A HIT IN SAN DIEGO

SAN DIEGO- The coming of the Rolling Stones to S.D. was a well-remembered day. Students and employees played "hookie" just to see the Stones. The concert was held at the Sports Arena. No violence occurred at the concert.

and extreme emotional ups and downs. The viewers, mainly college students, are attracted to the show by the romance and action of Luke Spencer and Lau-

ra Baldwin. Luke and Laura's wedding was the climax of **General Hospital**.

SPECIAL MEMORIES OF . . .

During 1981 and the early part of 1982, several well-loved actors and actresses died. The fans and friends mourned the deaths of actors John Belushi, William Holden, Paul Lynde and actress Natalie Wood. The memories of these stars will remain in the hearts of many.

John Belushi, a comedian, starred in "Saturday Night Live", "The Blues Brothers", "Animal House", "1941", and "Neighbors"; he shared his laughter and happiness wherever he went, making people laugh was his specialty.

DODGERS WIN WORLD SERIES

LOS ANGELES- This year's World Series was won by the Los Angeles Dodgers. The Dodgers in Game 6 of the 1981 World Series defeated the New York Yankees by a score of (9-2) in their own Dodgers stadium. Their victory won them the title of "World Champions." The Dodgers began the series slowly losing Game 1 and Game 2 to the Yankees but they never lost hope. Their winning streak began in Game 3 and lasted until the final game. The team ended their season with a 4-2 game advantage over the New York Yankees.

The crowds jumped with joy for the Dodgers who seemed in control the second half of the game. The score of the final game in the first three innings was 1-0 in favor of the Yankees, thanks to Willie Randolph's homer. The fourth inning action belonged to the Dodgers. Steve Yeager tied the score with a two-out RBI single. The Dodgers continued scoring up until the sixth inning and it was no contest from that point.

For the first time in World Series history, the players. The three-way tie was between Ron Cey, Pedro Guerrero, and Steve Yeager.

49-ERS ARE SUPER BOWL XVI CHAMPS

MICHIGAN- Super Bowl XVI was played inside the Pontiac Silverdome on February 7, 1982. The two teams involved: the San Francisco 49ers and the Cincinnati Bengals, experienced for their first time the thrills of playing in the Superbowl. The winners of Superbowl XVI were the SF 49ers. The final score was 26-21.

The 49ers and their coach Bill Walsh won the game by outsmarting the Cincinnati Bengals passing and running patterns. Their knowledge gave the 49ers a slight advantage entering the game. The long hours of studying paid off for the 49ers, it gave them the title.

The Most Valuable Player of the game was Joe Montana, the 49ers' quarterback for his role in the victory.

CHARGERS LOSE POLAR BOWL

CINCINNATI- January 10, 1982, was a very cold and depressing day for the Chargers and their fans. In the semi-finals of the Superbowl playoffs the San Diego Chargers were beaten by the Cincinnati Bengals by a score of 27-7.

The team, although disappointed, believed the Bengals played better than they did. The

Chargers' offensive unit couldn't stay in control and their defense just could not stop the Bengals. Another factor that added to the defeat was the weather. The temperature of -10F and the wind chill factor of -59F made it even harder for the Chargers to play. The game should have been called off

GRADUATION

Remember back in the first grade
We thought we were so old
The day that we had show-and-tell
And brought in some "foot's gold"

Remember a few years later
We thought we were divine
We teased the "first grade babies"
At the ripe old age of nine

Remember back in sixth grade
We looked at HIM with a sigh
And dreamed of all the coming days
In the huge new junior high

Now it's eons later
As graduation day draws near
We think of bittersweet memories
And remember yesteryear

Remember the heroes and laughter
Talk over all our fears
Reflect on learning and sharing
Before the goodbyes and tears
